

[Download Bentley Watercad V8i Select Series 2](#)

The screenshot shows the Bentley HAMMER V8i (SELECTseries 5) software interface. The main window displays a complex water network diagram with various components labeled, including pumps (P1-P50), junctions (J1-J37), valves (V1-V10), and tanks (HT-1, ST-1). A red wax seal is overlaid on the left side of the interface. An 'About Bentley HAMMER V8i (SELECTseries 5)' dialog box is open in the bottom right corner, providing contact information for the Haestad Methods Solution Center and license details for the user Williams LAVTEAM. The dialog box includes the following text:

Bentley® HAMMER® V8i (SELECTseries 5)
Haestad Methods Solution Center
